

DICKSON ES***No Child Left Behind Act Annual Report Card 2007-2008*****Academic Performance Index (API) and Accountability Data**

The API is a numeric score that measures school and district performance based on a variety of educational indicators. It allows schools and districts to gauge their progress toward improving student achievement. Components of the API are used to meet reporting requirements in the *No Child Left Behind Act* (Public Law 107-110).

DICKSON ES did not receive a Total API for regular education students because of small student numbers.

The scale for API scores ranges from 0-1500 with 1279 as the current state average for regular education students.

***No Child Left Behind Act* Statewide Performance Benchmarks for 2007-2008:**

For Adequate Yearly Progress (AYP) determinations, each student group is required to meet or exceed the Performance Targets (excluding Male, Female and Migrant groups) for 2007-2008.

Student Groups must have at least 30 students per subject to receive a math or reading API score.

Percent of Students Tested is calculated only for student enrollment of at least 40 students per subject and subgroup at time of test administration.

Oklahoma Core Curriculum Tests

The Oklahoma Core Curriculum Tests measure mastery of students' skills on the Priority Academic Student Skills (PASS). Individual test scores for each student as well as detailed group summary reports are sent back to the schools, providing valuable data for administrators and teachers to target program improvement, address individual student strengths and weaknesses, and provide parents with an idea of their child's accomplishments. Results below include all students (full academic year and non-full academic year).
